Subject: RE: NCA4 clearance

Hi Andy,

Yes, I've cleared the responses to EPA comments and don't know of any outstanding issues from an EPA perspective.

Subject: NCA4 clearance

Darrell – I'm going to send a note to IOAA about the status of NCA4 and SOCCR-2. Given that the comments on SOCCR-2 are due next week, I'd like to do that by Friday. My ask – is there anything with NCA4 that I need to convey? I know there's still a hold-out agency, but I think that everything is ok from an EPA perspective, correct? If I don't send something on NCA4 this week, it's not a huge deal, given that the decision date is the 27th and it won't be released until December.
